

The Make-A-Wish Foundation® of Greater Ohio, Kentucky & Indiana Chapter Fundraising Event ~ Walk For Wishes

In 2009, each region of the Make-A-Wish Foundation® of Greater Ohio, Kentucky, and Indiana chapter will hold an annual Walk For Wishes fundraiser. This community-based event will bring together thousands of men, women, and children to raise money to grant the wishes of children with life-threatening medical conditions. Walk For Wishes is the largest internal event held by the chapter. In 2008, the event generated over \$515,000, making the wishes of more than 85 children a reality.

The Central Ohio Region

Walk For Wishes regionally presented by Medical Mutual of Ohio®

The 10th Annual Medical Mutual of Ohio® Walk for Wishes in the Central Ohio Region will be held at the beautiful Creekside Park in downtown Gahanna. This 5K walk will bring people together for a fun day at the park in an effort to raise funds for local children with life-threatening medical conditions. One of the main draws of the event is the ability to enjoy the great weather and river walk with friends, family, and co-workers while helping to make wishes come true. All participants are welcome to stay for the Walk For Wishes celebration, complete with entertainment, activities, and refreshments immediately following the walk.

Our Regional Goal

The Make-A-Wish Foundation grants the wishes of children with life-threatening medical conditions to enrich the human experience with hope, strength and joy. Proceeds from this event will be used to directly grant the wishes of children from central Ohio. Our goal is to raise **\$130,000** to fund the treasured wishes of more than **21** children and their families.
